

Saboom.com asks for a job interview

Hot secretaries, who would do anything for her boss, are the classic men's erotic fantasies. Saboom.com requests with the new show "ASS Company" sexy secretaries for a job interview.

Preferences and fetishes are in the adult world as diverse as the people themselves. Saboom.com offer its users the widest range and thereby also cover special preferences. In the current case secretary lovers will be keen at their expense.

With the new show "ASS Company" users now can experience interactive secretary porn and find out how hot it goes on in so many offices. The term A.S.S. (Awesome Secretary Services) in the title holds in any case, what it promises.

In addition to the ever-popular "Secretary" theme Saboom.com offers in this show also a very special feature. The user can now choose between story mode and hardcore mode, and so he can decide whether to enjoy the show with an interactive story or get straight down to business.

Saboom.com could win one of Germany's most famous adult performers for this project. Conny Dachs plays the role of the CEO and you can feel that this role fits to his personality. With his charme and acting talent, he carries out the story and invents this erotic setting tests for aspirants who are absolutely worth seeing.
