

PartnerCash launches Gaywebsite.com the first amateur portal for gays on the German market

Stockern, Austria - PartnerCash.com announced this week the launch of it's first amateur gay product for the German market - GayWebsite.com

The site features real gay amateurs from the German speaking market (Germany, Austria and Switzerland) who are available in LiveChat or on LiveCams 24/7 and also contains all their amazing videos and self-made photos for the user to buy and download.

GayWebsite.com is based on the success of AmateurSeite.com, one of the biggest Amateur Site on the German speaking market, featuring thousands real amateurs along with their videos, photos and live cams.

In order to take advantage of the starting promotion deal, make sure to get in contact with you account manager or email: Sales@PartnerCash.com
